Special track/session for Africa and the Francophone States

Call for Papers ICCMIT CONFERENCE '19

5th International Conference on Communication, Management and Information Technology

"Innovation in Management, Human Resource Management and Corporate Social Responsibility"

Organized by:
Pr. Bouchra Belmouffeq

E-mail : belmouffeq@yahoo.fr

Objectives and Motivation

Start a reflection and operational action on managerial changes. The focus will be on managerial innovation and new redesign of management style

Scope and Interests

The recent transformations of organizations and their entire ecosystem have put into question the current way of managing people and organizations. At present, higher expectations from stakeholders, digital innovations, structural reforms, etc. require a change that leads to responsible management. It is about management methods, its stakeholders, challenges and above all its purpose. The challenges of tomorrow in a new world bring our attention and question us about the current changes, the necessary adaptations and the possible accompaniments. In the world of today what should be the role of managers, marketers, and HR and CSR mangers. Will we witness contemporary managerial practices taking over the traditional management methods?

Themes:

- Managerial changes
- Management of communication and information systems
- The future of professional relationships
- Human Resources management
- Sustainable development
- Corporate Social Responsibility (CSR)
- Discrimination at work
- HR Marketing
- Risk management in Islamic finance
